

Pytchley Golf Lodge

We would like to welcome everybody playing on the course and wish you all a great game!
Before playing the course, please check the rules below to ensure you are fully equipped and ready for your game.

We ask everyone to follow these rules (there's only a few) to ensure an enjoyable game for all!
If you have any questions, queries, requests or enquiries please don't hesitate to ask our bar staff who will be happy to help.

Please Keep All Budgie Smugglers
at Home

Boots, Shoes, Flip Flops,
Metal Spikes tut tut!

And Always Remember...

One set of golf clubs per player and **no more than four** in a group.

SLOW PLAY. If the group behind catches up with you, **let them play through** where possible and you can carry on at your own pace.

RAKE THE BUNKERS. It's really easy, just push the sand back and forth with the rake to make a nice landing for the next player.

Repair, Replace & Restore!! The greens are lovely, please keep them that way by **repairing** your **pitchmarks**.

Divots. Please pick it up and put it back. Keeps the fairways fair.

Ask the staff If you are learning or perhaps would like a quiet game, please ask for an appropriate tee time and we will ensure you have a much better round without the worry of too many other players.

5 Minutes. When you lose a ball (as we all do) you have up to 5 mins to find it so let the group behind play through while you look for it to give you the best chance.

Enjoy yourselves!

Just remember others around you.

Have fun, PGL
